Miriam College is ISO Certified!

Did you know that Miriam College is ISO Certified?

ISO certification is a seal of approval from a third party body that a company runs to one of the international standards developed and published by the International Organization for Standardization (ISO).

The ISO are an independent, non-governmental international organization who brings together experts to share knowledge and develop international standards that support innovation and provide solutions to global challenges.

Miriam College was awarded ISO Certified way back March 2019 and the re-certification, which was expected to be more difficult, was awarded to MC last March 2022.

There's always something to be proud of being a graduate and a member of the Miriam College Community.

The Pink Parol

Carrie Ibarra (GS62, HS66, COL70), together with her classmates -- Adele Olives, Annette Aguado, Polly Garilao, and Rory Tolentino, started the **Pink Parol project** with the objective to help VP Leni win in the Presidential race 2022. During the campaign rally in Laguna last May, she was able to meet the former VP Leni Robredo and was told *"Oh so this is the legendary parol! Thank you so much po!"*

A Special Treat to the Superwomen: Mother's Day Mass 2022

It's the **special day** of all our *ilaw ng tahanan*! To celebrate and to honor not only our alumnae moms but all our mommies, MMCAA and AEO organized a **Mother's Day Mass** with the help of MISMO and CMO. It was then followed by a short gathering which was mostly attended by Miriam College alumnae.

What a better way to honor these strong women? Serve coffee, tea and the ever so fluffy **Mylene's ensaymada**! Oh and do not forget the time to allow them to take a break from their usual responsibilities and just chitchat with fellow schoolmates.

Katipuneras for Leni Thanksgiving Event

The Alumni Engagement Office organized a thanksgiving event for the **Katipuneras for Leni and Kiko** last May 28, 2022. This simple gathering was to appreciate and recognize the hard work the volunteers rendered during the campaign period aiming to **influence and encourage people to vote for former VP Leni Robredo and Senator Kiko Pangilinan**. The event was attended by MC alumnae, their families, and other volunteers including MC partner communities.

First part of the event was an anticipated mass held at the HEU chapel followed by some free time to devour on sumptuous food and everyone's favorite -- merchandise shopping! Special thanks to **Mykefrancis Mayores and team** for styling the event.
