## LINGKOD ALUMNI: MISSIONER. TRAILBLAZER. VOLUNTEER

Article by Ms. Isabela Marie Uytengsu

After five years, Miriam College's Lingkod Alumni program has finally found a volunteer – Jilliane Andrea “Andi” C. Insigne. Andi, who graduated cum laude with a Bachelor of Arts in International Studies, is set to undertake a 10-month mission at the Maryknoll Academy of Cateel in Davao Oriental.

The Lingkod Alumni Volunteer Program, formerly known as the

Miriam Volunteer Mission, was established in 2004 to provide graduates the opportunity to serve in various partner organizations and institutions across the Philippines. Since its inception, 55 Miriam College alumni have participated in the program. The assignment of Andi marks the program's continued dedication to mission and service.

Andi is assigned to serve as a Senior High School Subject Teacher, Grade 11 ABM Adviser, and School Paper Adviser at the Maryknoll Academy of Cateel. In preparation for her role, she underwent comprehensive training to equip her with the necessary skills and knowledge. On July 5, 2024, she participated in a workshop conducted by Dr. Clarissa Ligon, which covered areas such as values integration in lesson planning, innovative teaching methods, assessment tools, and classroom management. Further, on July 8, 2024, she was oriented on her specific teaching subjects by Ms. Jenny Flor Baclor and Ms. Cheska Diaz.

To prepare her spiritually for her role, Andi attended a session on July 11, 2024, with Ms. Guadalupe Isidro, focusing on the spirituality of volunteerism and the importance of wholehearted service. A send-off mass was subsequently held on July 17, 2024, at the Miriam College Chapel, attended by her family, friends, and the broader school community.

The reinforcement of the Lingkod Alumni Volunteer Program underlines Miriam College's enduring commitment to fostering a spirit of service and social responsibility among its graduates.

# WE MADE IT HOME

Article by Rosey Demigillo-Sy and Joey Imson-Lim

Last September 7, the Marian Auditorium was lit up once again by the bright lights and the high energy brought by jubilant batches of Maryknoll/Miriam that signify the start of another hallmark Homecoming celebration. This year was hosted by Silver Jubilarians MCHS '99, together with the Maryknoll/Miriam College Alumni Association (MMCAA), celebrating batches that span 45 years, and a total of nine alumni batches.

A prayer commenced the program, beautifully sung by the award-winning MCHS Glee Club, and conducted by former MCHS principal Ms. Nancy Roman. To kick off the nostalgia, a heritage video by MCHS '99 was presented showing the current campus and old stomping grounds, followed by a performance to highlight the Para Sa MC theme.

Mr. GB Labrador, comedian and Miriam College graduate batch 2000, and Ms. Iza Calzado-Wintle, actress and MCHS batch '99 alumna, seamlessly co-hosted the program. MMCAA Chairperson Ambassador Melita Sta. Maria-Thomeczek welcomed all to the event followed by a message from MC President Ambassador Laura Q. del Rosario who gave a

glimpse into the growth, expansion, and innovations driving Miriam forward. Ms. Nina Maria Santiago then delivered the MMCAA President's Report, focusing on the preparations for the 100TH founding year of Maryknoll/Miriam College in the country. She also proudly presented the global reach of MMCAA with chapters in major European and North American cities.

One of the anticipated parts of the program was the recognition of the Triple A Awardees, or the Amazing Alumni Achievers. This year, ten outstanding alumni received the award; each one leaving marks in their respective fields from the arts to business and public health, or in advancing advocacies on human rights, education, and social entrepreneurship. Ms. Lourdes Ortiz-Luis of MCGS '62, MCHS '66, and MC BA English '70, and Chairperson of Lingap Angat represented the awardees and spoke about her current work in expanding nutrition and education programs.

MCHS batch 1959 attends mass  
at the HEU Chapel

The excitement continued as the presence of the oldest yet graceful batch of Star Sapphire MCHS batch 1959, led by the very distinguished Ms. Gemma Cruz-Araneta, was acknowledged.

Also present were the Diamond Jubilarians of MC AA '62 AB/BS '64 who showed how blessed and grateful they are as grammies in the slideshow they presented.

The "Confident Women of MCHS '69", Emerald Jubilarians, took to the stage next to introduce their batch effort in producing a child-friendly book on plants and planting called, "Elsa's Garden". They also shared their contributions in developing a Mother Mary Joseph garden to earn the title "Garden Divas".

Before the performances ensued, a solemn memorial of alumni from the jubilarian batches was held by way of a touching In Memoriam video.

MCGS '69 took us down memory lane with colored videos showing them dancing different traditional Filipino dances and other celebrations which gave us a glimpse of life in Maryknoll back in the '60s.

The MCHS '64 "Hot Diamond Mommas" set the pace for the program as they grooved their way onstage with their white wigs, wheelchairs, and bejeweled canes. Ms. Marivic Tillman was a scene-stealer with her energetic dance moves and candy-throwing that delighted the crowd.

Up next were the Golden Jubilarians, College '74, "Hearts of Gold". Their performance surprised everyone with the sheer number of participants all garbed in glittering gold costumes. The audience could not help but be engaged, while cheering loudest for these amazing "jubis".

Not to be outdone is MCHS '74 "Rocking Gold", also Golden Jubilarians - spectacular in their performance and golden attires, performing to the classic hits of the '70s by Hotdog, The Boyfriends, VST, and the Beatles.

MCHS Batch '79's Fashion Kaleidoscope showed the Sapphire Jubilarians oozing with grace and style in their elegant blue robes that concealed a delightful array of gowns especially curated for the event. Leading them was Triple A Awardee, Ms. Bing Pimentel.

# GALING MC

The “RubyDoobidoos” or Ruby Jubilarians of MCHS ‘84 danced gracefully and impressively to local tunes from the ‘70s and ‘80s and bridged the generation gap by including current pop hits of Bini in their dance repertoire.

‘90s hits were of course at an all-time high, with the “Dancing Divas” of MCHS ‘89 strutting in their impressive neons and crop tops on stage, and showed everyone that they can give even the Silver Jubilarians a run for their money.

The “Pink Pearls” or Pearl Jubilarians of MCHS ‘94 were last but definitely not the least, as they blazed through the stage with an unforgettable, heart-thumping six-song performance. Their energy emanated through the crowd to end a string of truly festive performances for the night.

Following all of these performances was a ceremonial turnover of MCHS batch ‘99 to batch ‘00 as next year’s homecoming host

To culminate the event was a collective performance of select representatives from the different participating batches, and the singing of the beloved Maryknoll/Miriam hymn that made many nostalgically teary-eyed.

Knollers truly know how to party, and this year’s homecoming celebration is no exception and is indeed one for the books!

## ALAHAS: GIGI BERMEJO COMES BACK AND GIVES BACK TO MIRIAM COLLEGE

Article by Ms. Mirma Mae Tica-Ortiz

Ms. Maria Angelica "Gigi" Santos-Bermejo, MCHS 77, a Filipina jewelry preservationist and author, returns to MC to give back. On September 20, 2024, the Alumni Engagement Office, the Higher Education Unit- Library Media Center, and the department of the Bachelor of Design, welcomed Ms. Gigi to a turnover ceremony. She generously donated Php 100,000.00, proceeds from the sales of her MC 100 heirloom jewelry. The heirloom pieces carefully crafted symbolizes the rich history and legacy of faith and mission of the Maryknoll Sisters to the Maryknoll-Miriam College community.

She also gifted the Library Media Center of the Higher Education Unit her coffee table book, ALAHAS: Philippine Heritage Jewelry. Her book ALAHAS, is a result of many years of research and discovery. It allows readers to navigate the rich history of the Philippines through featured glittering jewelry pieces that

symbolizes our heritage and identity as a Filipino people. Flipping through the pages, the audience is invited to travel through time with beautiful pictures of her private collection coupled with facts and stories behind each piece, where she also shares her deep reflections.

Following the turnover of gifts, she spoke to students of the Bachelor of Design and Bachelor of Science in Leisure and Tourism Management where she inspired them to use their God given talents as a form of service to others—to always seek to make a difference and live a life of integrity and truth. She challenged them to understand their role in society to become mindful leaders of today and the future.

The lecture was followed by a conversation session with students and faculty members of MC. Many in the audience were interested to hear about her experience as a student at Maryknoll and know where she got inspiration for her work. She shared many fond memories of her time as a student and recall many hours spent in the

classroom where she listened to lectures about Asian Civilization and Philippine History. She admitted jokingly not being so interested in these subject matters. It was later when she began collecting that she realized that the knowledge acquired in these classes at Maryknoll became the foundation of her knowledge as an antique and heritage jewelry collector.

The book was launched last February 28, 2024, where members of the MC Community led by Dr. Ma. Margarita Alvina Acosta, Director of the Alumni Engagement Office, and MCHS'77 batchmates of Ms. Gigi Bermejo came to celebrate her accomplishments and contributions to Philippine history and society. The book was designed by Ms. Gigi's daughter, Kara Bermejo, and son-in law, Tomas de Carcer.

This gathering was a tribute to the educators who shaped not just academic paths, but personal growth as well.
